

# Connor McDonald

Los Angeles, CA | 805-300-1129 | [connor.mcdonald24@gmail.com](mailto:connor.mcdonald24@gmail.com) | [LinkedIn](#) | [GitHub](#)

## Frontend Developer

Frontend Developer with hands-on React experience and a solid foundation in HTML, CSS, and JavaScript. Passionate about building responsive, user-friendly interfaces and refining websites through testing and debugging. Demonstrated project management skills and adaptability, ready to contribute to collaborative front-end development projects.

## Education

### Southern New Hampshire University

2024 - Present

Bachelor of Science, Computer Science

### California State University, Los Angeles

2016 - 2019

Bachelor of Arts, TV, Film and Media Studies

## Professional Experience

### King of the Curve (KOTC)

Aug 2025 - Present

Remote

Frontend UI Developer Intern

- Collaborated with designers and engineers to implement UI rebranding initiatives, translating Figma designs into Flutter code, which enhanced the visual appeal and user experience
- Assisted in developing new front-end components and visual elements as part of a modernized UI rollout, contributing to a more intuitive and engaging user interface
- Gained hands-on experience with Flutter and cross-functional teamwork, enhancing collaboration skills and contributing to successful project outcomes in a high-energy ed-tech environment
- Contributed to UI testing, feedback cycles, and performance improvements during iterative development, utilizing GitHub for version control and ensuring enhanced application performance

### United States Postal Service

Nov 2022 - Present

Los Angeles, CA

Mail Carrier

- Managed and delivered mail efficiently while adhering to strict schedules.
- Developed organizational strategies and improved time management skills by optimizing delivery routes, resulting in increased efficiency and reduced delivery times

### Contract Production Assistant

2019 - Present

Los Angeles, CA

- Assisted production processes for Warner Bros, Sony, and Dhar Mann Studios, ensuring smooth operations and timely completion of tasks.
- Coordinated schedules, managed equipment logistics, and streamlined workflows to meet deadlines.
- Utilized project management skills to support collaborative team efforts, resulting in improved project coordination and execution

### Freelance Production Assistant

2019 - Present

Los Angeles, CA

- Oversaw pre- and post-production activities for short films and TV pilots.
- Worked closely with directors and producers, contributing to creative and technical production elements.
